**About TNG**

TNG is building a world-scale strategic metals business based on its flagship 100%-owned Mount Peake Vanadium-Titanium-Iron Project in the Northern Territory. Located 235km north of Alice Springs, Mount Peake will be a long-life project producing a suite of high quality, high-purity strategic metals products for global markets including vanadium pentoxide, titanium dioxide and iron oxide. The Project, which will be a top-10 global producer, has received Major Project Facilitation status from the NT Government.
