### **INTELLECT SIGN SERVICE AGREEMENT WITH SANDFIRE**

Intellect Systems Pty Ltd (Intellect), a subsidiary of Resource Development Group Limited (RDG), has entered into a one year service agreement with Sandfire Resources NL (Sandfire).

The service agreement is for the provision of engineering and blue collar services to support the instrumentation and process control system at Sandfire's DeGrussa Copper Mine, located 900km north-east of Perth in Western Australia.

"We are delighted to formalise this service agreement with Sandfire Resources," said Jason Monzu, Managing Director of Perth based Intellect Systems.

"Securing this service agreement demonstrates our capability to deliver customised end to end industrial technology solutions. We have established a successful working association with Sandfire and this agreement marks a significant milestone in our relationship," he added.

The DeGrussa Copper Mine is one of the Asia Pacific region's premier high-grade copper mines.

Yours faithfully

Jeff Brill

Managing Director
