

16 MARCH 2015

ASX Release

Sale of equity investment complete

Further to the announcement made on 13 March 2015, OZ Minerals has now concluded the transaction selling its shares in Sandfire Resources Limited. This represents a cash gain of \$2.5 million (unaudited) on the original and subsequent investments made in, and dividends from, Sandfire. It is expected there will be an accounting loss on the transaction due to mark to market valuation at 31 December 2014. The audited results of this transaction will be reported as at 30 June 2015.
